TMF is one of the few organizations uniquely working to provide education at all Levels - **Primary, Secondary, Higher Secondary, Technical & at the University level.**

## Message from Chairperson **Dr. Samea K. Ahmad**

السلام علیکم ورحمته اللہ وبرکته

As the holy month of Ramadan dawns, I, on behalf of all at Tameer-e-Millat Foundation (TMF), extend our warmest greetings and prayers for a month filled with peace, spiritual growth, and acts of compassion. Looking back at the past year, it's evident that Tameer-e-Millat embarked on a transformative journey. Our primary focus shifted towards elevating the standard of education in our schools. We meticulously evaluated and standardized our curriculum, ensuring it aligns with modern pedagogical principles and equips students with the relevant knowledge and skills. Recognizing the essential role of educators, we prioritized training and coaching programs to refine their teaching methodologies and empower them to become facilitators of vibrant learning environments.

I want to express my deepest gratitude and appreciation to our dedicated teachers and principals who accepted the new approaches with open arms, diligently adapted them to their classrooms, and implemented them with unwavering commitment. Similarly, our students deserve immense praise for their enthusiasm and dedication towards adapting to these advancements.

Lastly, I offer my sincerest thanks to our generous donors who continue to support TMF through these challenging times of rising inflation and political instability. Your every donation paves the way for us to provide quality education to underprivileged children, fostering a future where knowledge and opportunity illuminate the lives of countless individuals.

## CHILD CENTERED LEARNING

Educational Empowerment in Motion! TMF has proudly affiliated with the Pakistan Montessori Council (PMC). Under this MOU, PMC will give 12 of our selected teachers free training with certification and free course materials. They will also provide experts advice and human resource support to our Montessori programs. Through this initiative we will develop Master Trainers. Together, we are raising the bar for early childhood education, ensuring a solid base for their lifelong learning.

# AIR COMMODORE RETIRED KHALID CHISTI VISIT AT RATWAL CADET COLLEGE

It was an honour for RATWAL CADET COLLEGE to host the distinguished Air Commodore Retired Khalid Chisti, recipient of SITARA-E-IMTIAZ(Military) and SITARA-I-BASALAT. Our esteemed guest shared invaluable insights on the the topic "THE UNTOLD & UNSEEN OF JINNAH". The staff and students were highly motivated by the lesser known details about the life and character of our founder.

## MOHAFIZ FIRST AID WORKSHOP

Humanetek Pvt Ltd was founded in 2015 to build and operate Mohafiz. Their mission is to create a generation of Pakistanis that will not only care about others but will also be equipped with the ability to help them. By understanding the facets and dangers of everyday life, they will be able to meet them with determination. The Mohafiz Team visited two of schools, TM Model School, Thoha Khalsa and TMF School Islamabad, and conducted an interactive first aid workshop for our students. TMF will facilitate them in conducting many more sessions in our schools.

## EVALUATION TEAM VISITS

TMF Director, Program Education, Dr Tayyaba Ahmed visited our flagship campus, the Imam Din Tameer-e-Millat High School & College. With over 1200 students enrolled here, the purpose of the visit was to observe, monitor and evaluate the implementation of the new curriculum changes and ensure that the school is following recognized educational standards. The school's overall management practices and infrastructure were also reviewed to ensure transparency and accountability.

**Prof. Dr. Muhammad Ata**

Member Board of Governors, Tameer-e-Millat Foundation

**1936 - 2023**

Prof. Dr. Muhammad Ata was a man of great intergrity. He had served TMF diligently and passionately for 13 years. His unwavering commitment and invaluable contributions have left an indelible mark on our organization.

*May Allah (SWT) rest his soul in peace, forgive him and grant him Jannat-ul-Firdous - Ameen.*

# CURRICULUM UPDATE

In our ongoing commitment to providing the best education possible, we have revamped and enhanced several courses to better meet the needs and interests of our students, while adhering to the single national curriculum. This was made possible through partnerships with renowned publishers OXFORD, AFAQ, MOONLIGHT, and PARAMOUNT. These collaborations have enabled us to enrich our educational offerings with high-quality content and resources that reflect the latest advancements in learning and teaching. Montessori level books were designed internally by our qualified academic team.

## TEACHERS CERTIFICATION OPPORTUNITY

The American Board for Certification of Teacher Excellence (ABCTE) is an organization that offers an alternative route to teacher certification in the United States. Under an MOU, ABCTE will provide FREE Pedagogical Knowledge Certification Program to our prequalified teachers. This is a one year program which offers a flexible and self-paced model in the different methods of teaching. We are hopeful this will help us achieve our goal of continuous training our teachers.

## TAMEERIAN STARS

### Graduates of Imam Din Tameer-e-Millat High School Mian Channu

Ehtisham Ali, s/o Shamshad Ali, was initially a shy and timid boy from a nearby village. Despite being average in studies, he diligently worked and studied every day, proving to those around him that he would succeed. His former teacher later asked, "How is this possible, Ehtisham? You are a future doctor." He credited his success to his teacher's encouragement, recalling their words: "Prove yourself as you can do it." Ehtisham is currently studying in International Medical University, Kyrgyzstan and harbors a spirit of service towards humanity.

Adeel Anwar, one of the school's oldest champions, completed his entire education at Tameer-e-Millat High School. Initially shy and obedient, he hailed from a small village. However, his dedication to education brought him great success. Despite facing disappointment in 8th grade due to not achieving his desired marks, Adeel's resolve remained unbroken. He set a new goal to secure 1000 marks in matriculation, which he achieved with surprising precision. Active in social initiatives since matriculation, he organizes events in his village and involves young children. After graduation, he now serves as a lecturer at Aspire College in Mian Channu.

## SCIENCE & ART EXHIBITION

Exciting Fusion of Creativity and Innovation Unveiled at School's Science & Art Exhibition! Students from various schools were recently transformed into a vibrant hubs of creativity & discovery as they showcased their talents at the annual Science & Art Exhibition. From captivating artworks to groundbreaking scientific experiments, this event was a testament to the remarkable skills & ingenuity of our students.

## CELEBRATING QAID DAY

- TM Girls Higher Secondary School Dharyala

Hafsa Gogar embarked on her educational journey at Tameer-e-Millat High School in 6th grade, demonstrating innate curiosity and determination to excel from the start. Her academic results were exemplary, establishing her as unbeatable. Her courage and enthusiasm were remarkable, bringing acclaim to the school by achieving the highest score in the whole TMF network. Currently, she holds a qualification in CA Inter and works as a trainee at a reputable firm in Lahore.

## TEACHERS DEVELOPMENT CONFERENCE (TDC)

Our TDC play a crucial role in fostering continuous learning, collaboration, and improvement within our team of educators. It provides great opportunities for schools to unite for knowledge-sharing and growth. A total of 78 participants from 5 schools took part in this activity.

## AN HONOURABLE FAREWELL

With mixed emotions, we announce the retirement of our esteemed Principal TMF School Islamabad, Ms. Saba Aurengzeb. After 20 years of service, she has decided to embark on a new chapter of life filled with well-deserved relaxation and enjoyment. Her long service to TMF is a testament to her dedication and commitment to our cause of educating our nation.

*"I joined TMF School initially as a teacher for three years and then as a Principal. These last 20 years are an asset of my life. I had the honour of working with the late founder Dr. Zaheer Ahmad. Serving in TMF was a wonderful experience and I will miss my school very much. If ever given the chance again, definitely I will choose TMF again and again. I will always love TMF. May Allah grant it continuous success. Ameen" --Ms. Saba Aurengzeb*

## ROBOTICS TRAINING WORKSHOP – ROBOGEN at Lincoln Center

Tameer-e-Millat Higher Secondary School for Girls, Ratwal was shortlisted to participate in a series of ROBOGEN workshops conducted jointly by the US State Department and National Examination and Evaluation Foundation. This 3 week long workshop was aimed at empowering grade 9-10 girl students through STEM (science, technology, engineering & math) learning. This was an exciting opportunity to have a hands-on experience in the latest Robotics Technology and orientation to many interesting topics taught by eminent scholars at the Lincoln Center. Post workshop, the group will develop indigenous projects under their faculty mentor. This was a once in a lifetime opportunity for these young girls and teachers to have a genuine orientation to STEM and Robotics and get themselves a world class certification for free.

## EMPOWERING FUTURE LEADERS THROUGH INTERNSHIPS

TMF has joined hands with the Prime Minister's Ba-Ikhtiyar Naujawan Internship Program in nurturing the leaders of tomorrow. This special intern placement initiative is a project of the Ministry of Planning, Development and Special Initiatives. Under this program, freshly qualified graduates will be placed within organisations so that they may have real time access to their relevant fields for better learning outcomes and workplace experiences. A total of 07 interns have so far benefited from our organisation in various fields like teaching, finance, marketing and web development.
