Message from Chairperson Dr. Samea K. Ahmad

السلام علیکم ورحمته اللہ وبرکته

With approaching Holy month of Ramadan, I on behalf of the Tameer-e-Millat Foundation (TMF), extend my heartfelt greetings and prayers for a month filled with peace, spiritual growth, and acts of compassion. This year's Ramadan is coinciding with the end of the academic year 2024-25. Our newsletter highlights just some of our impressive achievements. Now more so than ever, is the time that your support and donation—no matter how big or small—can make a positive lasting change to our students coming from challenging socioeconomic backgrounds. Within our organisation, approximately 16,000 underprivileged children depend on your generosity for their education and essential support for books, uniforms, transport, etc. In these trying times, your Zakat and Sadaqah can be a lifeline, bringing relief, hope, and opportunities to those who need them most. Every act of kindness provides a future filled with dignity and hope—transforming countless lives! Let us make this Ramadan meaningful by sharing our blessings. *سبزاک اللہ خیرا*

Shaping tomorrow's innovators, today.

Pioneering progress through hands-on learning

Tameer-e-Millat Model Girls Higher Secondary School, Ratwal, Shines at Robogen Workshop. Our students took center stage at the Robogen Workshop organized by the National Education Empowerment Foundation (NEEF) at Lincoln Corner. Their Hydroponic Farming project, which explores the innovative method of growing plants in water without soil, was chosen for further development among five participating schools in the Rawalpindi region. At the Capstone Event at NUST, Islamabad, the team was recognized with certificates for their exceptional creativity and problem-solving skills, marking a milestone in STEM education and innovative thinking.

Collaboration Between TMF and HDF Renewed

Tameer-e-Millat Foundation proudly strengthens its transformative collaboration with the Human Development Foundation (HDF), working together to bring education to underserved communities in Mardan. The renewal of our (MoU) in December 2023 marks a milestone in our shared journey of empowerment. Together, we aim to enhance non-formal schools, expand impactful initiatives, and inspire lasting change in the region. **Education, Empowerment, Through Excellence:** We are providing opportunities that light their path to a brighter future.

EMPOWERING OUR FUTURE

Driving Excellence Through Monitoring & Evaluation

At the heart of TMF's mission to deliver quality education is the Department of Monitoring and Evaluation (M&E). This cornerstone of our operations ensures that high educational standards are consistently upheld across all TMF institutions. Our dedicated Academic Monitoring Officers (AMOs) a school evaluators work tirelessly to enhance teaching quality, review curriculum implementation, and align academic practices with TMF's visionary goals. Through regular visits and thorough evaluations, the M&E team ensures that students and educators thrive in a conducive, excellence-driven learning environment. **TMF's M&E** department is a testament to our unwavering commitment to fostering academic brilliance and nurturing the leaders of tomorrow.

Exploring History and Culture

TMF Capital Campus Students' Visit to the National Book Foundation Students from **Tameer-e-Millat Foundation** Capital Campus, Islamabad, embarked on an enriching educational and recreational trip to the **National Book Foundation Pakistan**. TMF Organized educational visit to provide an invaluable opportunity to explore a wide range of unique literary collections that hold immense cultural and historical significance. This trip served as a vital educational exposure, fostering a deeper appreciation for reading culture, literacy, and the importance of books in shaping young minds. To complete the day, students enjoyed a relaxing outing to a nearby park, making it a perfect blend of knowledge and leisure.

Visit to Pakistan Military Academy: A Leadership Journey of Discipline and Excellence

Our cadets from **Ratwal Cadet College (RCC)**, a proud project of TMF, had the prestigious opportunity to visit the Pakistan Military Academy (PMA) in Abbottabad and participate in the exhilarating Passing Out Parade rehearsal. This immersive experience allowed our cadets to witness the unparalleled dedication, precision, and discipline of PMA's cadets, while actively engaging in the parade activities themselves. The visit aimed to instill core military values leadership, teamwork, and excellence into the hearts and minds of our cadets, inspiring them to uphold these qualities in their own lives. The experience not only deepened their commitment to achieving goals with unwavering determination but also instilled a profound sense of national pride and honor.

Celebrating World Education Day with Freeline Movers

A Partnership for Inspiration and Growth

On January 24th, TMF proudly celebrated the transformative power of education on World Education Day. We collaborated with Freeline Movers, an international leader in logistics, as part of their inspiring **Corporate Social Responsibility (CSR) initiatives**. Ms. Nagina Bashir, Head of CSR at Freeline Movers, delivered an engaging session for TMF students, exploring the balance between technology and the serenity of nature. Her captivating storytelling not only entertained but left a profound impression on everyone, encouraging students to embrace a mindful and purposeful approach to life. This meaningful collaboration highlights TMF's commitment to fostering life changing opportunities for students through innovative partnerships.

Deputy Commissioner Mardan's Team Visit to TMF-HDF Non-Formal Schools in Mardan:

A dedicated team from the Deputy Commissioner's office recently visited the TMF-HDF Non-Formal Schools in Akhtarabad, Mardan. They witnessed the transformative power of education in action. Their visit highlighted the tangible impact these schools are making in shaping bright futures for underprivileged children. The team stressed the critical role of community-driven support and fundraising efforts to fuel the continued growth and empowerment of these institutions.

Nurturing a Greener Tomorrow

World Environment Day at TM Model School Hassanabad, Gilgit Baltistan TM

with a vibrant display of ecoconsciousness. Students became champions of change, spreading awareness through inspiring presentations, creative posters with slogans like **"Green Today, Alive Tomorrow,"** and an impactful tree plantation drive. This celebration underscored the power of youth to drive sustainability and foster a collective commitment to protecting our planet for generations to come.

World Literacy Day Celebration

On 8th September, World Literacy Day was celebrated. Dedicated to the power of knowledge and the impact of education. The TM capital campus Islamabad, came alive with inspiring reading sessions, dynamic discussions, and empowering presentations, all emphasizing the pivotal role literacy plays in shaping a brighter future. Students were motivated to embrace learning and champion the cause of literacy in their communities, leaving with a renewed sense of purpose and determination to make a difference.

Empowering Communities with Sustainable Solutions

At **Tameer-e-Millat Foundation**, we are committed to making our institutions self-sustaining by introducing **solar panels** across our schools network ensuring a reliable and eco-friendly energy solution. With the generous support of our respected donors and sponsors, this transformative initiative has already been implemented in **TM School Sialkot, Jhelum, Ratwal, Mian Channu** with plans to expand it to all TMF schools. These solar systems not only ensure an uninterrupted power supply but also create a positive impact on the learning environment. Alongside solar energy, we are upgrading the infrastructure of our schools to keep pace with the growing needs of our students and staff. Ongoing construction work is focused on modernizing buildings and enhancing facilities, ensuring they are equipped for the future.

Empowering women, enriching communities—one stitch at a time.

Vocational Training Centers & Dress Design Making (DDM) Tameer-e-Millat Foundation believes in the power of education to transform lives, not just through academics but also through practical skills. That is why we are thrilled to expand our Vocational Training Centers with the launch of the **Dress Design Making (DDM)** initiative for girls at multiple TMF schools. This program equips students with vital skills in tailoring, stitching, and dressmaking, empowering them to become self-reliant and contribute meaningfully to their communities. Sponsored by **The Riyadh Group of Ladies**, an expat group of women based in Riyadh, Saudi Arabia, whose philanthropic efforts are making a profound impact in our Sialkot Schools. With over 100 students currently enrolled, the program provides hands-on training by dedicated tutors, ensuring students gain practical expertise alongside their academic education. This partnership underscores TMF's mission to foster personal development, economic growth, and community empowerment.

Empowering the next generation through knowledge and safety!

A Step Towards Empowerment, **TMF** continues to make a profound impact in the underdeveloped regions of Sindh, where educational resources are limited. Our schools in Sindh are serving as beacons of hope, providing children with the opportunity to receive quality education and break free from the constraints of poverty. **Mohafiz Junior**, a leading name in child protection and welfare, held an inspiring session at **Tameer-e-Millat Schools, Karachi**. The session focused on raising awareness about child rights, safety, and protection, empowering students to become advocates for their own well-being. This session not only helped the children understand their rights but also provided practical tools for safeguarding their future.

Unlocking Potential, One Achievement at a Time! Redefining Education, Raising the Bar!

Tameer-e-Millat Girls High School Wahalizer Achieves **Rawalpindi Board Affiliation** Tameer-e-Millat Foundation celebrates a new chapter in its educational journey with **TM Girls High School, Wahalizer**, officially joining the **Rawalpindi Board**. This marks a significant step in expanding access to high-quality education in the region. With multiple TMF schools already proudly affiliated with the Federal Board and other regional boards, this achievement reinforces our mission to provide educational opportunities that empower young minds to thrive. We're continuously building pathways to academic success and cultivating future leaders.

Transforming Classrooms, Empowering Minds.

Teacher Development Conference: Shaping the Future of Education, The Teacher Development Conference (TDC) 2024, hosted by TMF, was designed to equip educators from across our network with the latest tools and strategies for success. Focused on innovative teaching techniques and effective learning strategies, the conference provided a platform for professional growth, empowering educators to create engaging, student-centered classrooms. By empowering teachers, we are ensuring they have the skills and knowledge to inspire future leaders and create a brighter tomorrow for all students.
